To enrol in **BlackCards** online modules or library:

1. You will need a unique email address and;
2. a credit card for online payments

To enrol into **BlackCards** online learning portal:

- We have developed 3 Core modules to be completed before enrolling in individual modules;
- as you complete each module you will collect a BlackCard Badge

Collect 3 **BlackCard** badges to continue your study:

- After collecting 3 badges you will be able to select any of our individual modules.

As you go through each module you will see that we use different ways to share information with you. You may be asked to watch videos, read an article or academic paper, a book or complete a short quiz. At times you may even post your thoughts and feelings in a public forum or choose to privately share your work with us. We have an online library full of resources to assist your learning journey which is available from the home page.

3 **BlackCard** badges

BlackCard Core Modules

Module 1

Introduction to Aboriginal Terms of Reference (ATR)

In this module we will introduce what is ATR and also educating people on what it means to Acknowledge Traditional Owners or to do an Acknowledgement of Country.

Module 2

Time-Clock

Don't restrict yourself to the last 230 years of colonial history but embrace the full history and heritage of this country. This Module looks at an Aboriginal perspective of history of 60,000 years of our people living in this country.

Module 3

Intro to Colonialism and myth making

Understand and identify the patterns of colonialism and its effects on Aboriginal and non-Aboriginal Australians.

How to create an account and purchase courses:

For access to this course you'll need to take a minute to create a new account for yourself on this web site.

Here are the steps:

1. Fill out the New Account form with your details at http://theblackcardlearningportal.com.au/login/index.php
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. You can now access the list of Modules to purchase. From now on you will only need to enter your personal username and password to log in.
